

She knew it was time to listen to the whispers of her heart

Her heart was content

She knew she was blessed

She had everything her heart had always dreamed of

She made the choice to see the beauty all around her

Her cup runneth over

She was stronger than she thought she was

Forgiveness Is A Choice

I promise to follow my heart and to make time for my dreams

She loved deeply with her whole heart

I am exactly where I am supposed to be

I want dreams created for me in the heart of God

My heart is at home with you sweet friend

She wanted her words to be full of truth and love

She looked back over her life and a smile spread  
across her face

When she laughed she spread sunshine to all around  
her

Her mother looked at her with eyes that only a  
mother could. She saw all the ways that she  
was going to change the world with her beautiful  
gifts.

She knew that the Lord had answered a prayer of her  
heart that she didn't even know she had been  
praying.

She loved her life

You will forever be in my heart until I can hold  
your hand again

She made the choice to be quiet and still she wanted  
to hear her dreams again

She took a deep breath and decided it was time to be  
brave and listen to the whispers of her heart

Dance to the song in your heart

Follow the dance of your heart that leads you to the  
place you belong

You were meant for this journey

She knew she was living her purpose

Finally listening to the whispers that have been in  
my heart since I was a little girl
