Choose words that speak to you... or make up

In the depth of winter I finally learned that there was in me an invincible summer. \* You can't get too much winter in the winter.

Seeing isn't believing, believing is seeing.

If winter comes, can Spring be far behind?

Magic is believing in yourself, if you can do that, you can make anything happen.

Find the good. It's all around you. Find it, showcase it and you'll start believing in it. \* Magic is something you make. \* Magic never ends.

Kindness is the language which the deaf can hear and the blind can see. \* A warm smile is the universal language of kindness.

No act of kindness, no matter how small, is ever wasted.

Keep your face always toward the sunshine - and shadows will fall behind you. \* Have big dreams...you will grow into them.

You are braver than you believe, stronger than you seem and smarter than you think. \* Why fit in when you were born to stand out?

Do more of what makes you awesome. \* Whatever you are, be a good one.

You will never influence the world by trying to be like it.

Sometimes the smallest things take up the most room in your heart.

Keep calm, there will be a snow day soon.

It's kind of fun to do the impossible.
